	High-Low	£1.00	£20.00
	Pulltabs	£0.25	£25.00
	Scratch Cards	£0.25	£10.00

Our evaluation of Blue Stone games consisted of Random Number Generator (RNG) tests, game rules review, functional tests, Return To Player (RTP) calculation and source code review. We have found that the above Blue Stone games are fair and the system is reliable and resilient.

iTech Labs has also verified procedures for software integrity including change control mechanisms. All major functional changes including new games that constitute major changes are independently tested and certified.
