

Texas Hold'em Poker Game Certificate

Operator: Casino Iguazu

URL: <http://www.casinoiguazu.net>

This is to certify that iTech Labs has evaluated the Casino Iguazu Online Texas Hold'em Poker game and found that the game complies with the relevant standards.*

Our evaluation consisted of Random Number Generator (RNG) used for card shuffling, functional testing of the Texas Hold'em Poker game & tournaments and verification of game rules. iTech Labs have found that the games and tournaments are fair and the system is reliable and resilient.

* The RNG and games were tested according to the relevant Alderney Gambling Control Commission (AGCC) standards. The software provider or operator of the gaming site may not necessarily be licensed in the gaming regulatory jurisdiction whose technical standards have been applied in the testing process. Before making enquiries with the gaming commission, check whether the gaming commission's logo is present on the gaming site's home page or undertake independent enquiries with the operator of the website.

Disclaimer.

While it is not possible to test all possible scenarios in a laboratory environment, iTech Labs has conducted a level of testing appropriate for a component test of this type.
